Dear Jim,

I just wanted to let you know how much I appreciate everything you do to make my job easier. When I have a luncheon with a physician's office, I know that I can count on you to be on-time with the delivery. Your food is amazing, and all my customers rave about it. You have always been professional, but go overboard to help me out even with my last minute requests.

Thanks so much for making such delicious food, being so easy to work with and for always being on time!

Sincerely,

Meredith Barnett
